Despite the challenges running rampant through the healthcare world, Calais Regional Hospital staff are committed to providing safe, high quality, and satisfying care for our community members. Across the State and Nation, hospitals continue to be confronted with reduced reimbursements, climbing free care/bad debt numbers and declining volumes. CRH was not immune to these issues and had to improve performance to be sustainable over the long term; balancing access, quality and cost. Despite many other efforts, the lower volumes dictated a need for staffing adjustments that were quite painful, which was a hard process for a small organization such as ours, and not one the Board or Administration took lightly. As always, our staff stepped up to the challenges and continued to maintain focus and stability.

Our staff’s high quality care and excellent service for patients did not falter. Recognition of this is evident with receipt of the 3rd consecutive National Leapfrog Award for patient safety and quality. Our CRMS provider practices were recognized nationally by the Bridges to Excellence program for diabetes and hypertension care, and on a State level by the Pathways to Excellence program through Maine Health Management Coalition for pediatric asthma care, pediatric immunizations, family medicine and pediatric safe care.

Implementing innovation can be challenging enough during the best of times, but it is all the more difficult during tough financial times. However, even in this arena staff continued on the mission. Electronic Health Records (EHR) were installed in all CRMS provider offices and the emergency department. Electronic documentation was initiated in the surgery and inpatient care departments. Patient Portals were also up and running in 2014. Such initiatives are critical for continued success and meeting federal benchmarks for meaningful use of EHR.

It was a busy day in May for CRMS staff when the new Electronic Health Record went live!
In addition to implementing innovative technologies, other staff were hard at work on the continuous and tedious task of vetting candidates through the recruitment process. It is a long process to find and recruit the right candidate with the best skills for our community, and with the industry average of providers only staying in one location for 5 years, it is one we seem to be consistently doing. However, we did see some success in 2014 with five new providers joining our staff and one area provider joining Calais Regional Medical Services. Pediatrics welcomed Dr. Jodi Ledford and Dr. Egbert Grinage, Radiology welcomed Dr. Jodi Hiland-Schielke and Dr. Lorenz Schielke, a new part time service began with Psychiatrist Dr. Ryan Smith, and long time area physician Dr. Peter Wilkinson’s practice became CRMS Internal Medicine.

Clearly, CRH staff and board have been dealing with challenging times, but tough times are not all bad. The budget constraints that come with low to flat volume and increased bad debt and charity care has staff prioritizing the most important of all the important projects. While it really forces tough questions, it can also be a time to let our strengths shine and put focus where it is needed most.

On behalf of the leadership team, we extend our thanks and appreciation to our Directors, Trustees, Volunteers, Medical Staff and Employees for their committed efforts in providing compassionate, high quality, award winning, personalized care.

New Providers to CRH/CRMS in 2014

Dr. Egbert Grinage
Pediatrics

Dr. Jodi Ledford
Pediatrics

Dr. Jodi Hiland-Schielke
Radiology

Dr. Lorenz Schielke
Radiology

Dr. Ryan Smith
Psychiatry

Dr. Peter Wilkinson
Internal Medicine

Statement of Purpose
Calais Regional Hospital exists to provide and plan patient care, educational and restorative services that meet our customers’ expectations, commensurate with available resources.

Our Vision
CRH will be known by our customers as the best rural hospital in Maine.

Statement of Values
As an organization we value customer service, leadership and progressive management, compassion, teamwork and collaboration, stewardship of resources, dedication to quality, honest, integrity and ethical behavior. At CRH, quality means the continuous improvement of programs and services in an effort to exceed customer expectations.
Calais Regional Medical Services

Calais Regional Medical Services (CRMS) offers primary care services and the specialties of pediatrics, OB/GYN, general and orthopedic surgery. CRMS boasts national recognitions for diabetes and hypertension care and state recognition for pediatric asthma, pediatric immunization and safe care.

2014 ‘Three Club Challenge’ Golf Tournament

Calais Regional Hospital held the ‘Three Club Challenge’ Golf Tournament in September 2014 to benefit the Annual Fund. Many local players and sponsors came out for a gorgeous day of golf to benefit a great cause. Thank you to the players and the sponsors who helped raise over $10,000 for the Annual Fund and made the event such a success:

Oak Leadership Level: Comprehensive Pharmacy Services, CompHealth

Pine Leadership Level: QHR

Other Major Sponsors: Blue Water Emergency Partners, Target Marketing, Skoler, Abbott & Presser, Northeast Delta Dental

Social & Players’ Prize Sponsors: Pratt Chevrolet, Alan Einhorn, International Motel, Machias Savings, Ultrabenefits, Williams Brothers Paying

Tee Sponsors: Acadia Physician Recruiting, Advanced Collection Services, A&E Plumbing, Calais Ace, Calais Motor Inn, Calais Press, Downeast LNG, Due East Real Estate - Billy Howard, Greystone Bed & Breakfast, Navix, Riverside Electric, Ultrabenefits, WQDY

Goody Bag Items: Calais Regional Hospital, Curves, International Motel, Urban Moose
Working Together To Serve Our Communities

Calais Regional Hospital has been providing healthcare for Eastern Washington County for many decades. Our dedication to the communities we serve extends beyond the medical services we provide. CRH takes part in a variety of health fairs and community events to provide health education and support for many organizations. Our hospital considers it an honor to be a part of our community and our staff takes part in many ways - by serving on local boards and organizations, staffing events, providing services and supplying in kind goods to name a few. Serving the community is very important to CRH.

CRH participates with State and regional organizations for emergency preparedness such as during the Ebola epidemic in 2014.

CRH provided free prostate cancer screenings in recognition of Prostate Cancer Awareness Month.

CRH teams support local community awareness events. CRH is regularly a part of the WCCC Polar Dip. CRH has been represented at the Relay for Life since it began in 1998.

CRH coordinated events such as the Health and Wellness Fair and the Pink Zone Basketball Game to promote health awareness and provide access to preventative screenings and vaccines.

CRH participates in health fairs, conferences and flu clinics across our service area.

Hospital staff volunteer time for planning and staffing at the Peanut Fair to benefit a local Parent Teacher Group.
